ANRF International Travel Support Application

Applicant: [Applicant name hidden], PhD Research Scholar, Department of Chemical Engineering, Indian Institute of Technology Delhi

Event: CCP5 Summer School 2026, Newcastle upon Tyne, United Kingdom, 19 July–30 July 2026

I certify that, as of the date of this application, I have not received any confirmed airfare or travel-grant support from any other national or international travel-grant agency for attending CCP5 Summer School 2026.

The CCP5 event information states that the GBP 650 fee partially covers accommodation, breakfast, lunch, and dinner for the duration of the school, and also covers the school gala dinner and poster-session refreshments. The remaining school costs are covered by the sponsors, while successful candidates must cover their own transport costs. I will disclose this wherever required and will not claim reimbursement for expenditure already covered through the fee or sponsor arrangements.

I have not availed ANRF/SERB or CSIR funds previously.

If any financial assistance is sanctioned from another source at a later stage, I will disclose the same as required by ANRF and by Indian Institute of Technology Delhi, and I will claim reimbursement only for expenditure not covered by other grants.
